SUBJECT: **NOTIFICATION OF THE USE OF DELEGATED AUTHORITY TO EXECUTE AMENDMENTS TO SIX CASE MANAGEMENT, HOME-BASED SERVICES AGREEMENTS FOR THE PERIOD OF JULY 1, 2011 THROUGH JUNE 30, 2012**

This is to notify you that I am exercising the delegated authority approved by your Board on June 9, 2010, to execute amendments to six Case Management, Home-Based (CM/HB) services agreements to extend the terms for an additional 12 months at status quo or generally similar funding levels, subject to review and approval by County Counsel and the Chief Executive Office (CEO), and notification to your Board.

Under this authority, I will amend the agreements identified in Attachment A to extend the term through June 30, 2012 at status quo funding levels. The total cost of the agreements is \$3,105,367 for the period of July 1, 2011 through June 30, 2012, fully offset by California State Department of Public Health Office of AIDS Single Allocation Model Care funds.

The CM/HB program is designed to address each client's complex HIV/AIDS care needs and provide services that are not available through other funding sources. HIV/AIDS CM/HB-related services provide cost-effective home and community-based care for persons with HIV/AIDS. These services include, but are not limited to: 1) comprehensive assessment of each client's physical, psychosocial, environmental, financial, and functional status; 2) development, implementation, and monitoring of individual service plans; 3) coordination of the provision of home attendant care and homemaker services; and 4) periodic reassessment of each client's needs and status.

County Counsel has reviewed and approved these amendments as to form. County Counsel and the CEO have reviewed and approved this delegated authority action.

If you have any questions or require additional information, please let me know.
